A kitchen by Scavolini

There's lots going on at LuxeHome at the Merchandise Mart. **Cucina Moda** (cucinamoda.com), a U.S. distributor for the high-end Italian cabinet company **Scavolini**, has opened a 3,000- square-foot showroom displaying sleek kitchen and bathroom vignettes. This spring, German uber-appliance-manufacturer **Miele** (miele.com) will open a 5,500-square-foot showroom with demo models and a working kitchen. And in April, the interior design showcase **DreamHome** will reopen with a new slew of covetable rooms created by A-list designers. The lineup includes Tom Stringer, Jessica Lagrange, Kara Mann, Erik Kolacz, Jeannie Balsam, and Susan Fredman.
