Scavolini at the Mart

In the market for a kitchen or bath reno? The clean-lined Italian cabinet manufacturer [Scavolini](#) now has a showroom at Luxe Home at the Merchandise Mart, thanks to Michigan-based distributor [Cucina Moda](#), which brought Scavolini to Birmingham in 2010 and is now hoping to win over the Chicago area as well. Shouldn't be hard with this gorgeous 3,000-square-foot showroom.
