Some fabulous new products were shown at the Kitchen & Bath Industry Show last week. Here are the latest finds for the room we all use, but often neglect...the bathroom! Many of these items can be seen at Chicago's Merchandise Mart [Luxe Home](#) showrooms.

[KOHLER: Lilies Lore Bronze Under-Mount Sink - \\$2,031.70 »](#)

Cast-bronze sinks have been around for ages, but this modern shape and gorgeous pattern offer a fresh interpretation.

[All Stone - Idyllwild - Ann Sacks Tile & Stone »](#)

Such a unique marble cut! These vein cut tiles are linear and directional, unlike the typical swirled marble we're used to seeing.

[Leather, Wood & Concrete - Petrified Wood - Ann Sacks Tile & Stone »](#)

It's not stone, it's petrified wood! This durable and rare tile would make for a luxurious and warm bathroom.

[Terra Cotta - Haveli by Neisha Crosland - Ann Sacks Tile & Stone »](#)

I love the feeling of movement on these hand-painted tiles! Would make a dramatic accent wall or backsplash.

[Leather, Wood & Concrete - Shagreen - Ann Sacks Tile & Stone »](#)

Shagreen - made from stingrays - is a super-exotic choice for wall tile. Sourced from Indonesia, these tiles are used from the by-products of rays that have been harvested for food.

[Metal - Pyrite - Ann Sacks Tile & Stone »](#)

Gorgeous polish pyrite tiles, with combined sizes and colors.

[KOHLER - VibrAcoustic Baths - \\$6,111.00 »](#)

Ever hear a song you love so much, you wish you could BATHE in it? Now, thanks to Kohler and their VibrAcoustic bath series, you can. Just plug in your iPod and let the vibrations of the beats flow through the water.

[Artistic Tile - Charleston »](#)

Subway tiles have been popular for a while, but how about mirrored subway tiles for a fresh twist?

[Artistic Tile - Chrysanthemum »](#)

If you want to create a bath fit for a queen, be sure to include this unforgettable "Chrysanthemum" pattern, complete with inlaid mother-of-pearl.

[Jason Wu : Brizo - \\$250.00 »](#)

If you crave sleek style in the bath, turn to [fashion designer](#) Jason Wu, who has created an entire line for Brizo, including this understated glass shelf.

[Jason Wu : Soap Pump - \\$150.00 »](#)

More sleek styles from Jason Wu, this time in a chic square soap pump, with styles reminiscent of his Brizo faucet

[KOHLER - Caravan Collection Nepal on Caxton Sink - \\$1,077.40 »](#)

For an exotic flair, consider a decorative basin such as this one by Kohler. Add gold accent pieces to offset the blue.

[Talbot Faucet Touch-2-O : Delta - \\$340.00 »](#)

Hands [free!](#) Simply tap the faucet with your finger (or a bare elbow or forearm, if your hands are full) to control the water flow.

[Sue Wong Art Nouveau tub - Maidstone Wholesale Supply »](#)

Couture for the bath! This sumptuously elegant tub, designed by fashion designer Sue Wong, features an art nouveau interpretation on the Tree of Life.

[Tile Redi - Mosaic Niche Kit - \\$399.00 »](#)

This ready-to-go kit creates the perfect spot to put...anything! Comes with everything you need, and in a variety of colorways.

[Neorest Shower Enclosure - TOTO »](#)

Many shower enclosures look pre-fab and clunky...but not this one! Besides the modern glass look, this system [offers](#) bathers full control of their showers' temperature and volume from outside (and inside). Perfect for both young and old, a glowing LED light indicates water temperature, and a Shape Memory Alloy valve prevents sudden changes in temp, preventing a shocking surprise (or worse, a scald...

[Twist Chrome handheld shower - Moen - \\$282.00 »](#)

The Twist allows bathers to quickly switch between four spray settings with a flick of your thumb. Handy for those early mornings, when hand-eye coordination has not yet kicked in.

[KOHLER - Elevance Rising Wall bath - \\$9,090.00 »](#)

This bath provides a stylish alternative to traditional walk-in baths with an extra-wide opening, grab bar and chair-height seat for easy entry and exit. Fits a standard 60" bath footprint.

[**KOHLER | HydroRail™ Shower Column | Bathroom New Products | Bathroom | - \\$400.00 »**](#)

This system converts your existing fixed showerhead to a handshowers and rainheads combo. Such a quick and easy remodel! A slidebar bracket allows for customized heights, perfect for both short and tall members of your family.

[**Leaves - Artistic Tile »**](#)

This hand-carved stone pattern is created by master craftsman in India using traditional techniques. The sculptural stone panels combine matte and glossy finishes. The overall effect is warm, with a luxe touch of movement.
