[GE Monogram Expansion](#)

Announced just in time to garner some Neocon buzz, design-o-philes will now have another reason to flock to the Mart come 2013. Only the second [GE Monogram Design Center](#) will open in **LuxeHome**, and will showcase over 50 sleek GE products to purchase, along with custom cabinetry and millwork. The 3500 square foot space will begin design sometime this summer, and will commence with construction in January of 2013, so get ready for your imminent kitchen re-design.
