**Miele** is the world's largest family owned and operated appliance manufacturer. The company **opened a new showroom at LuxeHome** on the first floor of the Merchandise Mart. The showroom features more than 5,500 sq.ft. of design space including an active kitchen.

Miele is synonymous with quality, style and innovation. Miele's display of Generation 6000 line of built-in appliances, includes convection ovens, steam ovens, microwaves, warming drawers and coffee systems. Additional display is an extensive selection of dishwashers, refrigeration, wine storage, ventilation, laundry and floor care.

Retail customers will be encouraged to partake in a variety of specialty classes and events incorporation Miele's latest appliances in the showroom center. Classes overview includes cooking preparation, specialty coffee making, use of laundry equipment and entertaining using Miele appliances.

Miele was founded in Germany in 1899 with a single logo of Immer Besser, a phrase meaning Forever Better. The company continues to operate with this promise in nearly 100 countries, more than 16,000 employees, 12 production facilities.
